

# RAZERLINK® MOBILE CONVEYORS

Highly Mobile Feed System Eliminate Double Handling of Material

TRACKS, DRIVE TIRES OR TOWABLE TIRES

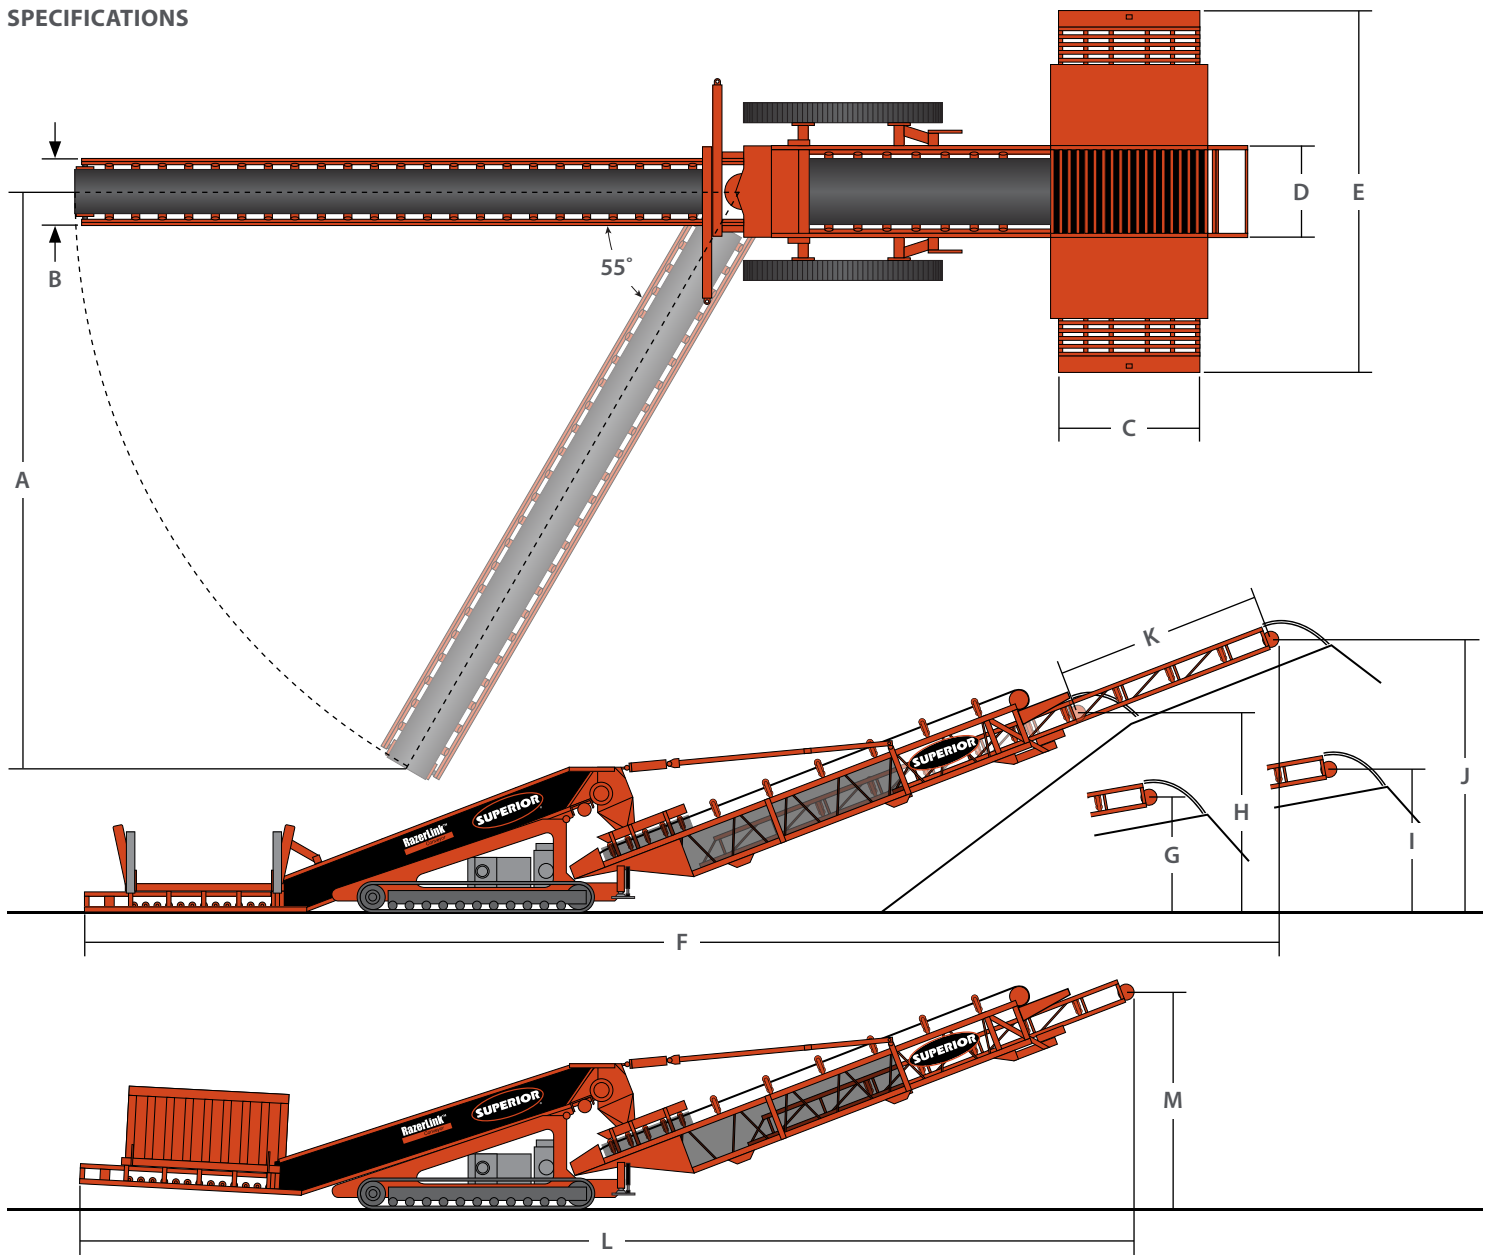

FIXED, POWERFOLD OR TELESCOPING

Rock Face to Load Out™

## SPECIFICATIONS

| OPERATING   | 48"           | 72"           | OPERATING                            | 48"           | 72"           |
|---|---------------|---------------|--------------------------------------|---------------|---------------|
| (A) Rotated Discharge Conveyor Distance (m)           | 47'-2" (14.4) | 47'-2" (14.4) | Tons Per Hour (tonnes/hour)          | 1,000 (907)   | 1,500 (1,360) |
| (B) Discharge Conveyor Width (m)                      | 6'-4" (2.0)   | 7'-7" (2.3)   | Maximum Material Size (mm)           | 5" (127)      | 5" (127)      |
| (C) Load Ramp Width (m)                               | 11'-7" (3.5)  | 11'-7" (3.5)  | <b>PIT TRAVEL</b>                    |               |               |
| (D) Main Conveyor Width (m)                           | 54" (1.3)     | 66" (1.6)     | (L) Length to Head Pulley Center (m) | 81'-5" (24.8) | 81'-5" (24.8) |
| (E) Load Ramp Length (m)                              | 28'-8" (8.7)  | 30'-4" (9.2)  | (M) Height to Head Pulley Center (m) | 17'-1" (5.2)  | 17'-1" (5.2)  |
| (F) Conveyor Length (m)                               | 94'-1" (28.7) | 94'-1" (28.7) |                                      |               |               |
| (G) Lowered Height to Center of Pulley; Retracted (m) | 9'-0" (2.7)   | 9'-0" (2.7)   |                                      |               |               |
| (H) Raised Height to Center of Pulley; Retracted (m)  | 17'-8" (5.4)  | 17'-8" (5.4)  |                                      |               |               |
| (I) Lowered Height to Center of Pulley; Extended (m)  | 11'-2" (3.4)  | 11'-2" (3.4)  |                                      |               |               |
| (J) Raised Height to Center of Pulley; Extended (m)   | 22'-9" (6.9)  | 22'-9" (6.9)  |                                      |               |               |
| (K) Discharge Conveyor Extension Length (m)           | 18'-6" (5.6)  | 18'-6" (5.6)  |                                      |               |               |
