

# PATRIOT® CONE CRUSHER

## FEATURING EXCEL'S PREMIUM BRONZE COMPONENTS

MODEL SHOWN: P300 CUT-AWAY

### OUR ASSURANCE

- Featuring superior bronze technology from Excel Foundry & Machine. Backed by a guarantee of fit, form and function.

### HIGHER TENSILE STRENGTH

- Metallurgical consistency yields high strength components.

### UNIFORM LEAD DISPERSION

- Unique chilling process stops migration.

### PERFECT CONCENTRICITY

- Simultaneous "4-Axis" turning ensures concentricity.

### POROSITY-FREE / UNIFORM GRAIN STRUCTURE

- Centrifugal casting technique ensures alloy integrity.

### DOMESTIC SUPPLY CHAIN

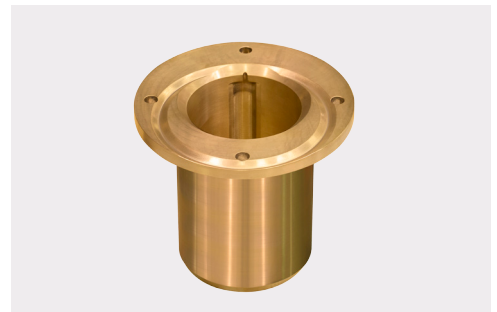

- Guarantees timely delivery.
