

TERMS AND CONDITIONS

- 1) **OFFER AND ACCEPTANCE.** Superior Industries, Inc's ("Seller") acceptance of Buyer's order to purchase products is expressly made conditional on assent to these Terms and Conditions, which along with any applicable sales order issued by Seller ("Sales Order") constitute a binding "Contract" between the parties. This Contract constitutes the complete and final agreement between Seller and Buyer for the products. Any additional or different terms or conditions contained in any document furnished by Buyer, including but not limited to, any purchase order or any acknowledgment, are deemed to be material and are hereby objected to and rejected by Seller. If such agreement shall be deemed an offer or counter-offer by Buyer, Seller expressly rejects such offer or counter-offer and limits acceptance to these Contract terms and expressly objects to any different or additional terms proposed by Buyer. Any actual performance by Buyer or Seller thereafter shall be deemed a renewal of the offer contained in this Contract and acceptance of this Contract without change. In the event of a conflict between the terms of this Contract and the terms of any other document, the terms of this Contract shall control. This offer to purchase Seller's products is valid for thirty (30) days from the date of the Sales Order.

In the event of a significant general material price increase (as measured by any applicable third-party material price index) after Buyer's purchase order, Seller reserves the right to charge a materials surcharge calculated to recoup the actual increase in material cost for the products subject to the purchase order which is attributable to such general material price increase. Documentation of the general material price increase and the actual increase in material cost will be provided to the Buyer upon written request.

- 2) **PAYMENT TERMS.** All prices specified in this Contract are FCA Seller's place of manufacture (Incoterms 2020), which constitutes delivery. All risk of damage to or loss of the products from any cause whatsoever shall pass to Buyer upon delivery, even if Seller arranges for shipment of the product. Unless otherwise expressly provided in any written quotation provided by Seller, full payment shall be made at or before the earlier of the date of delivery, the date of any invoice, or the date of any purchase order issued by the Buyer, without discount. Any discount which may be expressly provided on any written quotation provided by the Supplier applies to the sale price of the products at the place of manufacture, and does not apply to any charges made for taxes, storage, loading or transportation. All payments shall be made in United States dollars. Interest will be charged at the rate of eighteen percent (18%) per annum, or the maximum interest rate allowable by applicable law, whichever is lower, on all unpaid invoices. Buyer shall pay all taxes and charges of any nature imposed by any federal, state, or local governmental authority by reason of the sale or delivery of the products whether levied or assessed against Seller, Buyer, or the products. Such applicable taxes or charges, if not included in this Contract, shall be invoiced separately. If, in Seller's opinion, reasonable doubt exists as to Buyer's financial condition, Seller may, at any time and without prejudice to any other remedies, suspend or terminate performance of any order, decline to ship, stop any material in transit, or require full or partial payment by Seller in advance.
- 3) **DELIVERY.** Any delivery or promise date indicated on the Sales Order is an estimate of the date Seller believes the products will be available for delivery; provided, however, that Seller shall not be responsible for any delays in production or delivery.
